To Whom it May Concern:

Re: Interfor's FSC Policy Statement on Wood Fibre Procurement – Coastal Woodlands

Interfor will implement plans and procedures to avoid trading wood or wood fibre that:

- a) Has been illegally harvested;
- b) Harvested in violation of traditional and civil rights, as defined in common law;
- c) Harvested in forests where global environmental priorities are threatened by management activities;
- d) Harvested from forests converted to non-forest use or plantations not covered under an approved land use plan;
- e) Harvested from forests in which genetically modified trees are planted.
