

Certificate of Registration

This is to confirm that KPMG Performance Registrar Inc. has verified that

Interfor Corporation – Coastal Woodlands Operations

1600 – 4720 Kingsway Street, Burnaby, British Columbia V5H 4N2

Conforms with the requirements of the 2015-2019

Sustainable Forestry Initiative® (SFI) Standard Forest Management Standard

This certification applies to:

Forestry and logging (including planning, roads, harvesting, silviculture) on the forest tenures included within Interfor’s Coastal Woodlands operating areas.

This SFI certificate covers both the 2015-2019 SFI Forest Management Standard and the 2010-2014 SFI Standard (Section 2). Fiber sold under this certificate counts as 100% SFI and PEFC certified forest content.

This certification is given subject to the terms and conditions governing the use of this certificate as described in the agreement between KPMG Performance Registrar Inc. and the holder thereof.

Certification does not assure the effectiveness of the Sustainable Forest Management System or continued compliance with relevant forest and environmental legislation and regulations.

Certificate No. PRI-SFI-FM-001
Issue Date: January 15, 2001
Renewal Date: October 06, 2015
Expiry Date: October 05, 2018
